The international visitors to G-BIACK 2010

A team of 20 students from *Wyoming University* led by Dr. Urszula Norton, Assistant Professor of Agroecology, Dr. Dave Wilson, Senior Lecturer of Agroecology, Department of Plant Sciences and Mr. Emmanuel Omondi, Ph.D. Student in Agronomy who is also the director of Manor House Agricultural Centre, Kitale, Kenya had an opportunity of visiting the GROW BIOINTENSIVE Centre of Kenya on the 13th December 2010. Their mission was to learn the G-BIACK runs its programmes especially The GROW BIOINTENSIVE Agriculture and food programmes.

Silvia Ponte is

from Rome Italy. Silvia has a passion of assisting poor families especially children. She wants to establish a childrens home in Lamu Kenya. She is also helping to fundraise for G-BIACK Programmes.

Heather Rule and English Travis visited G-BIACK on 11 February 2010. They work with the AGRA watch organization based in Seattle USA. Their work is to watch the movements and works of AGRA and the Bill gates foundation. AGRA and Bill gates foundation promotes the Genetically Modified Organisms, an agricultural technique that is not friendly to the environment and which would otherwise affect the consumers negatively

Jeanne Liston visited G-BIACK between 16th -19th February 2010. Jeanne Lives in Bellevue Idaho, USA. She has a Passion of working with the poor and fighting poverty.

Merle and Ron Mardigian together with their friends from USA visited G-BIACK on the 7th September 2010, courtesy of Sandra Mardigian. They came to see how G-BIACK assist poor families through the GB techniques and other environmentally friendly development initiatives.

Anita Dippery is from Menlo Park in California. She visited G-BIACK courtesy of Sandra Mardigian, who is the main sponsor Of the G-BIACK centre

Polly Noyce Nakitare visited the centre on the 19th march 2010. Polly is the founder and supports Manor House Agricultural Centre, where Samuel and Peris graduated from. She was making follow up on her students (Peris and Samuel) that she trained in 1996 and 1997

David Mueller and Lynn Salt are film makers from California. Their mission at G-BIACK was to film the programmes and activities that we are undertaking with farmers.

N/B According to David and Lynn, the film will be out in one month's time.

Lisbeth Farrell works with the Kimbla Montana African Safaris in Kenya. She is very passionate with GROW BIOINTENSIVE agriculture. She brought her two gardeners for internship at the G-BIACK centre two weeks each. Her is developing a Biointensive garden at her home Karen Nairobi Kenya.

Please visit us! We are located 10km east of Thika town along the Thika – Garissa Rd (highway A3)

Donations of any amount help us to reach out to more vulnerable families. Checks payable to Kilili Self Help Project and designated for G-BIACK may be mailed to 260 Marion Avenue, Mill Valley CA 94941 USA. Donations are tax deductible and 100% of the donated amount will be sent to G-BIACK for our programmes.

G-BIACK- Empowering the communities ~ Transforming Lives

(G-BIACK is a registered CBO in Kenya. Donations are tax-deductible)
