## Blue vs Green: A Day of Play at G-BiACK!

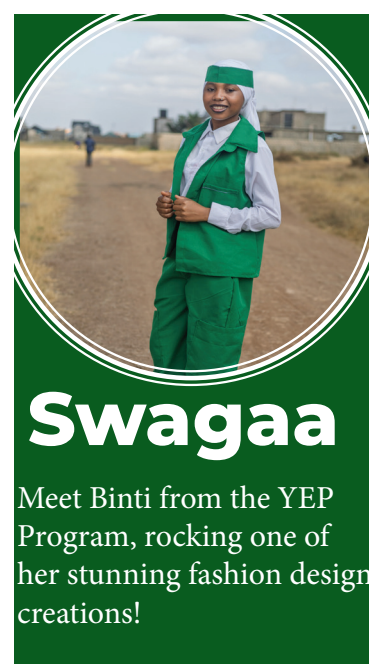

We held a lively Games Day at G-BiACK on 27<sup>th</sup> day of June filled with fun, energy, and great team spirit. The highlight of the day was a friendly match between Team Blue and Team Green, with both sides giving their best on the field. After an exciting game, Team Blue emerged victorious. It was a day of laughter, teamwork, and good memories all around.

## WELCOME TO KENYA!

Fetured(From Left): Sam, Frida, Dena, Deedee, Talita

We're excited to welcome DeeDee, Talita, Frida, and Dena to G-BiACK for a two-week exchange under the MESA program, part of the Kenya-GAPP Fellowship. Over the next two weeks, they'll be engaging with our staff, youth, and farmers learning about Grow Biointensive practices, food sovereignty, and the local efforts toward sustainable agriculture. We are happy to host them.

Meet Binti from the YEP Program, rocking one of her stunning fashion design creations!

Training Session with Mech John

This Week we got hands-on motorbike repair training to equip youth with practical skills in engine servicing, diagnostics, and maintenance. The goal is to empower them with knowledge they can turn into income-generating opportunities.

## QUOTE OF THE WEEK

“ Creativity begins where certainty ends- Dare to Imagine what doesn't exist , and you will shape what someday will

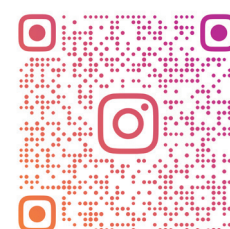

## VERSE OF THE WEEK

“ See I am doing a new thing!  
Now it springs up, Do you not percieve it? I am making a way in the wilderness and streams in the wastelands.
