STUDENT OF THE WEEK
CENTRIC ODUNDO
06TH -13TH JULY
2025

QUOTE OF THE WEEK

“

Live simply so that others
may simply live.

VERSE OF THE WEEK

“

He has shown you, O mortal,
what is good. And what does
the Lord require of you? To act
justly and to love mercy and to
walk humbly with your God.

Micah 6:8 (NIV)

G-BiACK , Champions of Agroecological Diversity & Intergration

At the 2nd National Agroecology Symposium and Exhibition hosted by PELUM Kenya in 2025, the Grow Biointensive Agriculture Centre of Kenya (G-Bi-ACK), was honored with the *1st Runners-Up Award in the Agroecological Diversity & Integration category*. The award recognizes G-Bi-ACK's outstanding commitment and performance

that promote il health, climate resilience, economic stability, and sustainable food systems. This year's symposium theme

“

Scaling up
Agroecology Initiatives for Soil Health, Climate Resilience,

Economic Stability, and Sustainable Healthy Food Systems”.

The event was held at the Kenya School of Monetary Studies in Nairobi, on the 10th and 11th of July 2025. We thank PELUM Kenya and the organizing partners for this recognition.

West Pokot Agroecology Policy Launch

G-BiACK proudly took part in the official launch of the West Pokot County Agroecology Policy, on 10th July 2025, a landmark initiative that places soil health, biodiversity, food and nutrition security, and climate resilience at the heart of local development.

We celebrate this collective achievement alongside our partners, including BIBA Kenya, the County Government of West Pokot.

Happening Now at G-BiACK:
Kimaeti farmers agroecology training workshop held at gbiack from 17 th to 18 july 2025

See you next summer...
