Happy New Year 2026!

ISSUE 031 | JAN 8<sup>TH</sup> 2026

## WE'RE BACK, STRONGER

The new year brings fresh energy, and at G-BIACK, we're back in full force! As 2026 unfolds, our dedicated team is already in the fields, planting seeds of change and cultivating a food-secure future for our communities. The break is over; it's time to grow!

After reflecting on last year's achievements and recharging our commitment, we're returning to what we do best: empowering farmers, protecting the environment, and building sustainable food systems.

2026 isn't just another year; it's a fresh chapter in our story. New partnerships, expanded programs, and renewed determination drive us forward. Every shovel of soil turned, every seedling planted, and every community member engaged brings us closer to our vision.

Welcome back to growth. Welcome back to community!

## QUOTE OF THE WEEK

January reminds us that every beginning carries hope and every new day is a chance to become better than we were before

## VERSE OF THE WEEK

Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?

ISAIAH 43:18-19
